Connecticut
Focus on Foster Care
We all have love to give.

The Department of Children and Families needs foster families for children of all ages, particularly adolescents.

Attend an information meeting where we will give descriptions of our foster family programs.

Homes are especially needed for children over 12 years old.

Stick With Us This Summer

Come *Stick with Us This Summer!*

Your school library may be closed over the summer break, but this year we'd like to give you the chance to get a jump start on summer reading by giving your student the opportunity to take home 4 good books from the school library collection, **FOR THE WHOLE SUMMER!**

From June 2nd to June 18th, students with signed permission slips will visit their school library and the library staff will help them choose the books they would like to take home for the summer. Books will go home in a special lime green bag just before the end of the school year. These books can be returned at any time to:

- Any Mansfield school when classes start in the fall
- The Mansfield Public Library during the summer or fall
- Our traveling "Books on Buses" at any point during the summer

If you are interested in participating, please complete and return the permission slip to your school library by June 16th. Selected books will be bagged and labeled with students' names, and sent home during the last week of school.
